### The Elks' Social.

This evening, at Arion hall, Wheeling lodge No. 25, B. P. O. E., will give a stag social to its members, visiting Elks and friends. The festivities will begin at 11 o'clock, and the function bids fair to be a winner. Wheeling lodge's socials always are all of that.

### Hitting the Mark.

Since Saturday, the local weather man, Mr. Christian Schnepf, has been receiving the southeastern Ohio prediction, which replaces that for the state of West Virginia, and a result at once apparent is that the predictions are correct, the mark having been hit every day since the new service was inaugurated.

### They're Giving Pointers.

Assistant Postmaster Alfred C. Davis and County Assessor Addison Israel are in Greene county, (Pa.), on a fishing and hunting trip. Incidentally, Davis will give the country postmasters lessons in the prompt and accurate handling of mail, and Israel will tell the Greene county people about the recent tax informer cases in this county, in which he has unwillingly cut a figure.

### Water Turned Off.

Secretary John E. Schellhase announces that he has been compelled to turn off water from a large number of consumers who have failed to pay their back water taxes. This step was made necessary, for the reason that the water board has exhausted every other means to bring the delinquents to time. As fast as the back taxes are paid, the water will be turned on again.

MR. ASHBAUGH, The Fur Man, will have a large line of Coats for delivery.

## FEDERAL COURT

Began Regular Semi-annual term in Wheeling Tuesday.

### NO IMPORTANT LITIGATION UP

FOR ADJUDICATION, SO FAR AS CAN BE LEARNED NOW—THE FAMOUS BARNUM-RICHARDSON-ENSIGN CASE SETTLED OUT OF COURT—THE BAER RECEIVERSHIP CAME UP IN THE SHAPE OF THE REQUEST OF OLD RECEIVERS FOR COMPENSATION.

The fall term of the district and circuit United States courts for West Virginia began yesterday morning, with Judge John J. Jackson on the bench. Some business was transacted at yesterday's session, but none of it of importance. The famous Barnum-Richardson-Ensign controversy regarding a chilled car wheel patent was settled out of court, and the case comes off the district court's docket. A resume of yesterday's business is as follows:

Thomas H. Savary vs. J. C. Tavenor, from Jefferson county; remanded for trial at Martinsburg.  
H. S. Maer vs. Baer's Sons Grocer Company, from Ohio county; motion was made to pay Messrs. Morris and Bernhard Horkheimer, former receivers, which was vigorously resisted by counsel for the creditors. Counsel for the former receivers, Mr. Allison, suggested that they be paid \$500 each. Consideration of the matter was postponed.

Barnum-Richardson Company vs. the Ensign Car Manufacturing Company, of Huntington; the case was dismissed from the docket, the parties to the suit having recently effected a compromise in New York, the terms of which were not made public. This case was a very important one, involving the validity of certain patents of the plaintiff on chilled car wheels, the process that is in use in the Ensign company's works. At a former trial in this court, the jury disagreed. The royalty claimed by the Barnum-Richardson company aggregated about \$20,000.

F. Lowandski vs. Baltimore & Ohio Railroad Company, from Ohio county; dismissed.

Consolidated Store Service Company vs. J. S. Rhodes & Company, of Wheeling, and the same plaintiff against H. Jacobs & Co., also of Wheeling; dismissed for want of prosecution.  
Grafton Coal & Coke Company vs. W. T. Rainey & Co., from Taylor county; demurrer to the declaration in each count was submitted and taken under consideration.

W. B. Pettit vs. German American and other fire insurance companies; demurrers to certain statements of the plaintiff were sustained.

In the district court, Frank C. Cox, of Ohio county, and J. D. Butt, of Jefferson county, were appointed referees in bankruptcy. They appeared in court, gave bond and took the oath of office.

In addition to Judge Jackson, the following officials are here attending the present session: Marshal John K. Thompson, of Putnam; B. L. Priddle and Edward Ayleshire, marshal's deputies; District Attorney Gaines; Clerks Delliker and Moore.

### For the Defendant.

Yesterday, in the circuit court, before Judge Paul, in the case of Raymond Uttermohlen (an infant) vs. Boggs' Run Mining & Manufacturing Company, the evidence of the plaintiff was excluded and the jury brought in a verdict for the defendant.

### Harvest Home Services.

The annual Harvest Home Communion services of the English Lutheran church will be held next Sunday at 10:30 and 7:30 o'clock. The church will be appropriately decorated. These services will be preceded by special services on Wednesday and Friday at 7:15 each evening. The Friday evening meetings will be the preparatory service meeting to the Communion. Persons desiring to become members of the church should be present at these preliminary services. An opportunity will also be given for the baptism of infants. A special offering will be taken for missions and benevolence. It will be the last offering for these purposes before the meeting of the synod to which the congregation belongs. The Sunday school will hold its rally at 2:15 p. m. Every member or friend of the church is urged to attend these services.

### Test next Saturday.

General Manager H. E. Weisgerber, of the Wheeling & Elm Grove road, says that he has tired of saying just when the electric equipment will be tested on the country division and the electric service begun, but he now believes that the test will be made next Saturday afternoon, and that the electric cars will begin running between the city and Seibert's immediately following a successful test. At first the electric cars will connect with the steam motors at Seibert's, the latter running between the latter point and Elm Grove until the curve at Seibert's is replaced by the one suitable for electric cars.
